What is Sign Buddy?

Sign Buddy is your personal companion for learning about American Sign Language and the rich world of Deaf Culture. There are three modes.

- ASL-to-Speech
- Speech-to-ASL
- Learn

Click on a mode to learn more about it.

OR

Click on any of the links to the right to explore the application.
ASL-to-Speech Mode

In ASL-to-Speech mode the app will be interpreting American Sign Language signed by your friend in real life. It works just like a camera! Hold your device steady and press INTERPRET to begin.

TIP: Make sure your friend is in the framing guide!
Speech-to-ASL Mode

In Speech-to-ASL mode the app will be interpreting spoken words into American Sign Language on the screen. Make sure you're close enough to pick up the sound and press INTERPRET to begin!

TIP: You can change your Avatar Buddy in the settings.
Learn Mode

In Learn mode you have an entire community at your fingertips. Work through the American Sign Language tutorials to learn the language or browse the community forums and resources to learn more about Deaf Culture.

TIP: You can add articles and videos to your learning plan for easy access.
