H. Parks, Spring 2005, OSU Mathematics
Department Study Guide for Mth 254

Grading:
Recitation/Homework: 100 points;
Test 1: 100 points;
Test 2: 100 points;
Final: 100 points;
Final: 100 points.
The lowest of the last 4 scores will be dropped. The course grade is then based on a maximum score of 400 points.

Exams:
Midterms: Wednesday, October 18 and Wednesday, November 8.
The midterms will be given during the regular class hour.
Final: Monday, December 4, 14:00.
The first exam will cover Lessons 1 through 7;
the second exam will mainly cover Lessons 8 through 13;
the final exam will be accumulative covering Lessons 1 through 21.

Homework:
There will be weekly homework assignments to be handed in during recitation. The assignments will be partially graded and returned the following week. The assignments are available at the course web site.
Calculators: You are allowed to use graphing calculators on all exams.

Math Learning Center: Kidder Hall 108, 737-4946, M-Th 9:00 - 18:00, F 9:00 - 17:00.

Description: This is the fourth course in calculus. The emphasis is on multivariable functions, their derivatives and integrals, with the goal being a deeper understanding of the meaning and use of mathematics. The outline of the course is given in the Study Guide. We will adhere to this as closely as possible.

Good Luck!
